ARCHITECTS AND PLANNERS

Creating a "There" There

Create a sense of place and a hub where the action is. Whether it's a "country store", a marketplace, a mail pavilion, a rec pavilion, or an activity room, any of these can be a gathering place where commerce or recreation takes place while neighbors intermingle, bringing a small town feel to a new or revitalized community.

ACTIVITY ROOM WITH POOL FACILITY

Farmer's Market or Picnic Pavilion
